

LOCAL DISTRICT ONE
COMMUNITY ADVISORY MEETING

PUBLIC SCHOOL CHOICE

VALLEY REGION HIGH SCHOOL #4

The Public School Choice (PSC) Resolution process is designed to expand the number of quality school options available to students and to support school transformation efforts that may include new campuses that provide relief from overcrowding. This resolution directs the LAUSD to provide quality educational options to all students.

Parent and community engagement is a key component of the proposal selection and evaluation process, and a cornerstone of the PSC Resolution. Please join us for this very important community advisory meeting.
