Department Of Neighborhood Empowerment

RE: Amended request for disbursement of emergency funds

On April 4, 2020, Granada Hills South Neighborhood Council (GHSNC) submitted a plan for expenditure of emergency funds authorized by the Department of Neighborhood Empowerment (DONE). The plan was subsequently approved on April 10, 2010. The purpose of this amended request is twofold; to amend our previously submitted plan to include another project and to request authorization for further expenditures for our approved vendor, Hope of the Valley.

As discussed in our teleconference Tuesday, we have identified a local project, CombineLA, that we believe is worthy of financial support. Staff members and volunteers from the Granada Hills Charter High School robotics team are currently producing a high quality plastic face shield. This face shield has already been utilized by several area hospitals including Glendale Memorial Hospital, MLK, and Northridge Hospital. These face shields are ideal for protection from coughs, sneezing and blood splatter.

This project is supported by Councilperson Lee and Supervisor Barger. Supervisor Barger's office has located space at the North Valley YMCA to increase productivity. Supervisor Barger has also asked that this organization to be added to the County's identified list of vital resources. The North Valley YMCA (a 501c3) is supporting this project. We have partnered with the YMCA in the past and found them to be a responsive and reputable organization. I have already been in touch with the YMCA Director Jane Stanton; they can direct any GHSNC funds directly to this project. The has the capacity to accept credit cards.

GHSNC is therefore requesting the following, authorization for additional expenditures to Hope of the Valley not to exceed \$2500. We have already directed an expenditure of just over \$800 and anticipate two additional requests from this vendor in approximately the same amounts in the next month. We are also requesting authorization for a direct one-time expenditure of \$2500 to the North Valley YMCA for the express purpose of supporting the face shield project described above. Use of the funds will include purchase of materials by CombineLA (\$2,000) and cleaning of the YMCA work area at the end of the project (\$500). We have reviewed the LAprotects requirements and affirm there is no conflict of interest for either expenditure. If you have any questions, please contact me.

Respectfully submitted

#### Dear Dave:

You have been very supportive of our YMCA and I appreciate it very much. It was so good to talk with you about the support of Covid 19 and the face shields for CombineLA. Thank you for your support of \$2500. I have attached the credit card receipt.

The YMCA is supporting the Safer At Home order and has remained closed since March 16, 2020. We offer the homeless shower program and give out towels, women's hygiene supplies, shower kits, flyers with contact information for homeless to receive stimulus checks and face masks. In addition, we opened our gym to assemble face shields and other Covid 19 supplies by the Granada Hills Rotary Club and Combine LA.

Funding will be used to support the YMCA during the shutdown and re-purpose of our facility. We would include the Granada Hills South Neighborhood Council's name on the Recognition Wall located in the YMCA lobby, in our e-blasts, and in press releases sent to local media. We appreciate this support, which will reflect the spirit of our community to so many.

Our Cause is to Strengthen the Foundations of our Community. Thank you for your heartwarming support of the Y!

Sincerely

Jane Stanton
Executive Director
