Greetings Granada Hills South Neighborhood Council,

I hope this letter finds the council well and safe during this unprecedented time we are in with Covid-19.

Tulsa Street SAS is seeking funding to commission the painting of new murals around our elementary school grounds. I will be submitting an application for Neighborhood Purpose Grant to Granada Hills South Neighborhood Council to solicit this request.

LAUSD is in the process of repainting our school buildings and some of the old murals have been painted over. We would love to incorporate new imagery that reflects the vibrancy of our community to be appreciated by both our school community (students, parents and school staff), as well as our neighbors. I invite the council to come and drive around our school to see our newly painted school soon.

The grant will be used to pay for a muralist talent and purchase of the necessary material and tools to paint on our school walls. The school buildings are visible to the surrounding residential neighborhood and we feel inspiring murals will visually benefit the local and visiting communities. Since these murals will be fixtures on our school buildings for years to come, serving the community as beautified structures, we would like to partner with our local Neighborhood Council to achieve this vision together.

I look forward to your support and partnership for this community endeavor.

Kindly,

Dr. Lester Powell
