SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

Your support will allow us to:

- 1. Aquire personal protective equipment and other necessary program supplies for our team to perform their work safely and efficiently.
- Hire additional staff to oversee our existing food pantry and meal outreach programs and also our new elderly meal outreach and children's toy distribution services developed in response to the pandemic. Purchase of non perishable food items.
- 5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

NVCS' Food Pantry is not only open but we have expanded its services in light of he epidemic. This month, our Food Pantry served 1,600 families within a week, a growth of 1,200 families from our weekly average of 400 families, and we have increased the frequency of our Meal Outreach program to twice a week, doubling the number of meals distributed to homeless families living in motels and in encampments. It is important to note that our Food Security Program also serves as a gateway for clients who need more intensive case management, referrals, and assistance. Because of this we are also expecting a significant increase in the number of clients receiving services to homeless case management, mental, dental, primary health, substance abuse, and other wraparound services through our referrals system and various partnerships and community-based collaborations.

Dear Taxpayer:

This is in response to your request of Jan. 30, 2014, regarding the tax-exempt status of North Valley Caring Services.

Our records indicate that a determination letter was issued in February 1996, granting this organization exemption from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Our records also indicate this organization is not a private foundation within the meaning of section 509(a) of the Code because it is described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to this organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to the organization or for its use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

If you have any questions, please call us at the telephone number shown above.

Dear Granada Hills South Neighborhood Council,

Thank you so much for the councils interest in supporting North Valley Caring Services (NVCS) during this critical time. I am so appreciative of this opportunity to share with you a short overview of NVCS and the community we serve, our response to the overwhelming food insecurity caused by the COVID-19 epidemic, and our request for financial support to meet this need.

From its founding in 1978 as a soup kitchen, North Valley Caring Services (NVCS) has become the largest food distribution center in the San Fernando Valley. NVCS serves individuals in the Northeast San Fernando Valley area who are homeless, low-income, or experiencing food insecurity. According to Los Angeles Homeless Service Authority's 2019 survey, about 7,730 people in the community are homeless. Many clients of NVCS are undocumented immigrants who lack health insurance and struggle with existing health complications. The Los Angeles County Department of Health found in 2018 that 54% of our residents were living below 200% of the Federal Poverty level and that 83% of our public school students were eligible for state-issued food assistance programs. In addition, 23% of adults were found to be obese, 16% diabetic, and 205 out of every 100,000 people were dying from cardiovascular disease.

With the outbreak of COVID-19, NVCS has become an emergency responder, expanding our services exponentially at the request of the Mayor's Office to meet the increased nutritional needs of our community. We have already seen food insecurity skyrocketing in our community and more people becoming homeless, resulting in an unprecedented demand for our Food Pantry and Meal Outreach services that we expect will not only continue but grow in the upcoming months. We kindly ask that you take a moment to view this short video highlighting our COVID-19 response: https://youtu.be/tN-x0hhOUKw

As seen in the video, NVCS' Food Pantry is not only open but we have expanded its services in light of the epidemic. This month, our Food Pantry served 1,600 families within a week, a growth of 1,200 families from our weekly average of 400 families, and we have increased the frequency of our Meal Outreach program to twice a week, doubling the number of meals distributed to homeless families living in motels and in encampments. It is important to note that our Food Security Program also serves as a gateway for clients who need more intensive case management, referrals, and assistance. Because of this we are also expecting a significant increase in the number of clients receiving services to homeless case management, mental, dental, primary health, substance abuse, and other wraparound services through our referrals system and various partnerships and community-based collaborations. Despite the expansion of services and impact we have achieved thus far, we are struggling to keep up with the urgent and overwhelming demand and are in desperate need of funding to finance the additional resources to sustain our services.

We would like to humbly ask for the council's consideration in financially supporting NVCS' to allow us to grow our programs sustainably while upholding our high-level of quality care and service during this crisis. Your support will allow us to:

- 1. Acquire personal protective equipment and other necessary program supplies for our team to perform their work safely and efficiently
- 2. Hire additional staff to oversee our existing Food Pantry and Meal Outreach programs and also our new elderly meal outreach and children's toy distribution services developed in response to the epidemic
- 3. Expand our storage facility so that we can secure more food to serve the growing needs of the food insecure community in the North Valley, purchase non perishable food items.

Thank you so much in advance for the council's consideration. Should you have any questions, please do not hesitate to reach me at (747) 254-0873

Warm regards,

Laura Rathbone
