- **Who?** Granada Hills North Neighborhood Council (GHNNC)
Granada Hills South Neighborhood Council (GHSNC)
- **What?** Election of stakeholders to the Board of Directors
- **When?** Tuesday, March 2, 2010 (Election Day)
- **How?** Become a candidate!
Candidate Filing Period: December 2, 2009-January 4, 2010
- **Why?** Neighborhood Councils (NC) were created by a change in the city charter in 1999 to give local control to communities within the city of Los Angeles. There are currently 89 Neighborhood Councils throughout L.A., each with an annual budget of \$45,000 to improve the quality of life in the community. The Neighborhood Council has a Board of Directors that meets once a month to address the concerns and issues of stakeholders within the NC boundaries.

Both Granada Hills Neighborhood Councils have committees of directors and stakeholders to deal with issues of public safety, planning and land use, parks, beautification, outreach, the environment and more. You may wonder - "what is a stakeholder?" A stakeholder is defined as anyone who lives, works or owns property within the boundaries of the neighborhood council, or anyone who declares a stake in the neighborhood and can affirm a factual basis for it.
