IV. Committee Issue

Discussion and Possible Motions:

A. Discussion and possible action to support the Healthy Streets LA ballot measure, which requires the City of LA to implement its Mobility Plan 2035 whenever the City repaves a street – Presentation by Michael Schneider, Healthy Streets LA"

Many neighborhood councils have shown their support for this ballot measure, and I feel that our council should do the same. The measure merely requires the City to follow through on the Mobility Plan 2035 that they adopted in 2015.
